

Aishwarya College

JODHPUR | PALI

Date: 27 November 27, 2021

NOTICE: REGARDING TO BE THE PART OF ECO CLUB

Aishwarya College invites applications from students of all faculty i.e Arts, Commerce, computer science, Law, management and science for being the member of ACE ECO CLUB.

We have five "prakoshth" in Eco Club and in each will have 5-5 students. One student in each prakoshth will be the **Prakoshth coordinator** and coordinate with remaining members to conduct various activities.

1. पृथ्वी प्रकोष्ठ - works for resolving earth and land pollution related issues.
2. जल प्रकोष्ठ - works for resolving water pollution related issues and developing water management schemes.
3. वायु प्रकोष्ठ - works to improve air quality and resolve air pollution related issues.
4. अग्नि प्रकोष्ठ - works for fire safety training programs.
5. आकाश प्रकोष्ठ - works to reduce global warming and related issues.
